

# QUICK FORM

## SPINAL BRACING MODELS

Today's Trend... Tomorrow's Standard  
Support for recovery... support for life

### QUICK FORM LSO

DCT-QF31 HCPC L0631 / L0648

- Pulley tensioning system is available on all braces
- Allows any patient to effortlessly apply perfect compression using one or both pulls

### QF LOW PROFILE

DCT-QF27 HCPC L0627 / L0642

- Lightweight, low profile
- Covers L1-L5 region of the spine

### QF LATERAL SUPPORT

DCT-QF37 HCPC L0637 / L0650

- Removable Lateral panels provide added support when needed

### CINCH-FIT PRO LSO

DCT-CF37 HCPC L0637 / L0650

- Converts from full LSO when more support is needed to a low profile brace to progress with the patient's recovery
